In a home fire, can your family safely escape in just 2 minutes?

Home fires claim seven lives every day, but you can help change that. Join our national movement and pledge to keep your family safe by taking 2 simple steps:

Practice your 2-minute drill.

Test your smoke alarms monthly.

The American Red Cross is preparing families to act quickly through our Home Fire Campaign. Red Cross educators will provide tailored information on how to protect your home and reduce fire risks. **Red Cross trained volunteers will:**

- Provide assistance in testing your current smoke alarms
- Help you develop a personalized home fire escape plan
- Provide valuable fire safety tips and training for your household
- Discuss the local wildfire hazards specific to your area
