1. Call to order; Flag salute; Roll call:

Director Paskey convened the regular meeting at 6:00 p.m.

Directors in attendance: Lofrano, McCray, Paskey, and Wright

Directors absent: Harvey

Staff in attendance: Fire Chief Ian Gow, Fire Marshal D'Ambrogi, District Manager Armstrong, Battalion Chief Williamson, and Battalion Chief Slusher.

2. Agenda approval:

Director McCray moved to approve the agenda. Director Wright seconded the motion which passed 4 to 0.

3. Approval of the minutes:

Director McCray moved to approve the minutes. Director Wright seconded the motion which passed 4 to 0.

4. Public Comment: N/A

5. Correspondence (not covered in Agenda items below): N/A

6. Information Items:

a. Fire Chief Gow's Report

- i. Assembly bill going through the approval process that would allow for agencies to select different PERS plans/categories, will be monitoring the progress
- ii. Held an in-house Battalion Chief test today with 4 in-house applicants. The position was offered to Eric Reams.
- iii. Recently had a few vacancies, appreciate all of the staff efforts to keep everything covered.
- iv. Fence at the administrative office has fallen down, have a plan in place to repair.
- v. Battalion Chief vehicle was recently involved in an accident, working on a replacement plan.

b. Battalion Chief Williamson

- i. Completed 1 plan review, 1 rough hydro, 2 finals and 2 propane inspections. Not too many new projects in the month of December.

c. Battalion Chief Slusher

- i. Operations report in the board packet, next month an annual report will be shared for 2025.

d. Placer Hills Firefighters Association report: N/A

e. Local 3800: Engineer Burbank reported that the negotiation committee will be meeting again tomorrow.

f. Board Committee reports:

- i. Finance Committee: N/A
- ii. Ad hoc Committee for reorganizations: N/A

7. Discussion and Action Items:

a. *Board to review and discuss upcoming LAFCO Meetings*

Chief Gow reported that LAFCo put a notice out about our reorganization application hearing on February 11<sup>th</sup>. The ad-hoc committee met to arrange for two community meetings, to be held on January 31<sup>st</sup> and February 3<sup>rd</sup> at the Long Valley Hall. The application will be heard at the February 11<sup>th</sup> LAFCo meeting, and then a protest hearing will be held in March.

Public Comment:

Jennifer – It would be helpful to notify people to send a short email to the LAFCo commission to show their support.

b. *Status on Placer County Local Hazard Mitigation Plan update for 2026*

Fire Marshal D'Ambrogi reported that a draft of our annex's should be put out next week, staff will need to provide input by the end of the month. Anticipate it being put out for public review next month.

c. *Approve the budget update and monthly expenses (action)*

District Manager Armstrong shared that this month's report includes payment information for the strike team reimbursements.

Director McCray motions to approve the budget update and monthly expenses. Director Wright seconded the motion, which passed 4-0.

d. *Consider and approve the first reading of an addendum to the Wellness and Fitness Program Policy (action)*

Chief Gow reported that a few changes were made since last months reading. The changes include removal of the pack test option, removal of the waiver form and adding the need to complete a spirometry test.

Director Lofrano motions to approve the first reading of an addendum to the Wellness and Fitness Program Policy. Director Wright seconded the motion, which passed 4-0.

e. *Consider and adopt Resolution No. 2026-01 Compensation and Terms of employment for unrepresented employees of the fire district (action)*

Chief D'Ambrogi reported that this addresses positions that are not currently included in the MOU's or an employment contract. This is in addition to needing to include the position of Assistant and Division Chief positions, for the JOA with the City of Auburn. Two classifications are included in the document; exempt and non-exempt classified. The terms and conditions are similar to what you would find in the MOU's but changed to reflect a 40-hour work week employee. The compensation schedule has been developed with 3 steps, using only the budgeted monies for the current fiscal year.

Director Lofrano motions to approve Resolution 2026-01. Director McCray seconded the motion, which passed 4-0.

f. *Consider and adopt Resolution No. 2026-02 Identifying the terms and conditions for fire district response away from their official duty station and assigned to emergency incidents (action)*

Chief D'Ambrogi reported that this is a template from OES, identifies every employee in case they get deployed and that we get reimbursed portal to portal. The resolution will be on file with us and the State of California.

Director Wright motions to approve Resolution 2026-02. Director Lofrano seconded the motion, which passed 4-0.

g. Update and approval of employment agreement for the Fire Chief (action)

Chief D'Ambrogi reported that this is an updated employment agreement for the chief and coordinates with the terms and conditions for unrepresented employees. The only difference is that there is a 2-year term and it defines the CalPERS plan the Chief is enrolled in.

Director Lofrano motions to approve the updated employment agreement for the Fire Chief. Director McCray seconded the motion, which passed 4-0.

h. Board to consider and approve abolishing the Battalion Chief (BC) bargaining unit and incorporate the single position into the remaining bargaining unit (action)

Chief Gow reported that this was a request by the union president due to our JOA with the City of Auburn. The JOA creates only one Battalion Chief position and they have requested that the position be included in with the other bargaining unit.

Director Wright motions to approve abolishing the Battalion Chief bargaining unit. Director McCray seconded the motion, which passed 4-0.

The meeting was closed at 6:36pm.

i. Closed session

j. Pursuant to California Govt. Code § 54957.6(a) **LABOR NEGOTIATIONS**; Discussion of the Memorandum of Understanding with Local 3800, District negotiators: Harvey and Lofrano.

The open meeting was reconvened at 6:58pm.

The board provided direction to the labor committee on negotiations.

8. Directors' comments:

a. *Report on activities of interest to the District which the Director is engaged in or is considering. No action will be taken on these items at this meeting.*

b. *Reminder of next Board meeting(s): Regular Meeting on February 12, 2026.*

9. Adjournment:

There being no further business, the meeting was adjourned at 6:58pm.

Respectfully submitted by:

## STAFF REPORT

<b>To:</b>	Board of Directors, Placer Hills, Newcastle, and Penryn Fire Districts
<b>From:</b>	Ian Gow, Fire Chief
<b>By:</b>	Rhiannon Fairchild, Administrative Assistant
<b>Date:</b>	September 24th, 2025
<b>Subject:</b>	Position Paper: Physical Exams for Employees

1. Discussion:
  - a. The industry standard is a pre-employment physical followed by an annual exam. See NFPA, CICCIS Qualification Guide (California Incident Command Certification System) and the IAFF/IAFC Wellness and Fitness Initiative.
  - b. District Policy #1021 states all employees should have an annual physical.
2. Purpose:
  - a. Primarily as a cancer/cardiac screening for our employees.
  - b. All employees must have a red card in order to respond to wildland incidents. A red card is issued on the sole authority of the Fire Chief. CICCIS states that in order to receive a red card, an exam plus an evaluation tool to show that physical demands can be met (pack test) must be completed. Note: The District has historically used the physical exam to be sufficient to determine fitness.
  - c. Regulations also require an annual respiratory clearance form.
3. Potential Issues:
  - a. Cost (See cost comparison spreadsheet).
  - b. Employee concerns that medical data will become known to the Fire District.
  - c. Employees who do not wish to complete physicals/medical care.
  - d. Staff has received multiple complaints regarding Occu-Med.
    - i. Difficulty getting appointments.
    - ii. Difficulty getting to remote sites.
    - iii. Displeasure with Occu-Med staff/procedures/policies.
4. Options:
  - a. See cost comparison spreadsheet for the four local vendors (Occu-Med, Kaiser, 1582, and On-Duty).
  - b. See services provided and optional costs.
5. Discussion:
  - a. Kaiser is costly considering the product offered, and not covered by any of our Worker's Comp carriers. Location is the Roseville facility.
  - b. Occu-Med is the cheapest option with known issues.
  - c. 1582 cost to Placer Hills is moderate. Cost for Newcastle and Penryn is much less due to the insurance-provided subsidy. Their service is mobile, and they will come to us. The level of care is provided by physicians. The tests done are comprehensive with good added

- options. They do handle our respiratory requests, plus the "meets medical standards" form. We have received favorable comments from neighboring agencies. They provide a 3-year contract that we can opt out of.
- d. On-Duty cost is higher for Placer Hills. Cost for Newcastle and Penryn is much less due to the insurance-provided subsidy. Their service is mobile and they will come to us. The level of care is provided by Nurse Practitioners/Physician's Assistants. The tests done are adequate with good added options. They can handle our respiratory requests plus the "meets medical standards" form (they provide more information to the employer than 1582). They were moderately difficult to get ahold of and much less responsive than 1582. They will provide a 1-3 year contract. 3 years locks the price in.
  - e. Current users of 1582: Rocklin and Lincoln Fire. Current user of On-Duty: South Placer.
    - i. Note: Auburn will choose a vendor soon. We are collaborating with them.
    - ii. Rocklin has asked to "team up" with us as well.
  - f. Total staff numbers: Placer Hills FPD (20), Newcastle (6), Penryn (6), Auburn (15)
6. Mitigation of Potential Issues:
- a. Cost: 1582 seems to be the best option for the level of service received.
  - b. Our contract with 1582 will be written such as to only allow the district to receive the two attached forms. All medical information will be between the employee and the provider.
  - c. Employees who decline a physical will be allowed to present a note from their physician stating that they are fit-for-duty. (The Districts will pick up any cost not covered by the employees' insurance.)
    - i. Employees who decline any physician visit will have to pass a pack test given by the District. They will be required to sign a note declining the physical, plus a waiver for the pack test.
  - d. Our issues with Occu-Med will not adversely affect our pre-employment exams.
7. Chief's Recommendations
- a. Keep Occu-Med for pre-employment exams.
  - b. Contract with 1582 for all three agencies.
    - i. Districts will cover the cost for DMV paperwork if needed.
    - ii. Any costs above the basic exam will be paid for by the employee.
8. Procedure
- a. Review with Command Staff and Local 3800 President
  - b. Send to all 3 Board Presidents for pre-review
  - c. Send to All Staff
  - d. Meet with all 3 committees and shop stewards
  - e. Add to Board Agendas
  - f. Create addendum to Policy #1021
  - g. Add as side letter for MOU with Local 3800

Respectfully Submitted,

Ian Gow, Fire Chief

Proposal is **CONFIDENTIAL**

Dear Placer Hills/Newcastle/Penryn Fire Districts:

Thank you for your proposal request from On Duty Health regarding your upcoming annual first responder health & fitness assessments. We take very seriously the high calling that it is to serve this critical population. And we're confident that we'll provide you with expert health assessments as well as excellent customer service.

Included in this proposal, you'll find the outline of services we offer, including a full NFPA 1580 and WFI compliant annual assessment at your department. This includes a full body ultrasound screening, comprehensive labs, maximal stress testing utilizing WFI protocol, TRUE VO2 Max testing, vision and audiometry testing, muscular strength and endurance testing, in-depth behavioral health assessment, and more.

Our medical record system is fully electronic, meaning that each of your patients will always have a secure online portal through which they can track their health results year to year. And, we provide administration with a department-wide analytics dashboard to help inform your decisions on where to implement health improvement plans, with our guidance.

We also hope to partner with you to offer continuing services such as return-to-duty assessments, new hire assessments, health education seminars, behavioral health support, nutrition counseling and fitness training. Consider us your one-stop-shop for all your fire health needs.

Our Co-owner and Chief Operating Officer is a recently retired Fire Chief with 29 years in the industry, bringing a first responder-tailored experience and perspective to everything we do. We practice evidence-based medicine, following current peer-reviewed research, offering novel cancer screening tools such as the Galleri Multi-Cancer Detection Blood Test and Low Dose CT. Our physicians are board certified in cardiology, radiology, dermatology, general and preventative medicine. And our team of Physician Assistants, Nurse Practitioners, Ultrasound Technicians, Exercise Physiologists, Counselors, Nutritionists, Personal Trainers and Phlebotomists are all specifically trained in first responder occupational health.

Again, thank you for your request. I'm hopeful that we'll be working together soon to help keep your first responders healthy and fit for service. And please don't hesitate to call or email us if you have any questions.

Warm regards,

**Kristin Batla, DMSc, PA-C**  
Chief Medical Officer, Co-owner  
On Duty Health

## Company Profile

On Duty Health is a physician, firefighter and female-owned, customer-service-centered healthcare company specifically specialized in mobile first responder health. We currently serve over 9,000 first responders in 138 agencies across California, Texas, Missouri, Iowa & Colorado with our comprehensive annual health and fitness assessments.

This company was founded specifically to improve health outcomes for first responders; a highly at-risk population. These risks include:

**Elevated Risk for Cancers**  
(Firefighters)

**Cardiac Deaths**  
(Law Enforcement & Firefighters)

**Behavioral Health Issues**  
(Law Enforcement & Firefighters)

With the above issues in mind, our system has been designed to identify life threatening issues early so a first responder may have the best chance at not only surviving, but thriving well into retirement. We go well beyond any standard occupational medicine physical by incorporating the latest research and knowledge in first responder-specific health concerns. And, we bring the best value for your taxpayer dollars by focusing on providing the most comprehensive option, for the best pricing; This includes providing our full physical assessment for every patient, every year, as well as providing for Radiology and Cardiology followups when indicated.

## On Duty Health Key Advantages:

### Decision Science through Data Analytics

Awareness of your department's overall health is extremely important. We assist you by providing a de-identified Health Dashboard which shares various key health metrics, guiding you for improving the health and longevity of your crew. This data-driven model allows department administration to see exactly where attention and investment might be needed.

### Electronic Medical Records & Patient Portal

Gone are the days of scribbling all of your patient history down on multiple sheets of paper, and then receiving printouts of your health information, only to misplace them and potentially compromising your Private Health Information. We are fully electronic. Every aspect of our assessment goes directly into our EMR system, and each patient gets secure access to their own Patient Portal, where they can access results, track their health from year to year, message their provider, and more.

### Human Performance & Health Analysis

Each of our exams comes with a personal Human Performance health data profile that helps each patient see their health and fitness levels, by the numbers. This helps, in a tangible and visual way, for the patient to see areas for improvement. As well, it helps the patient track their health statistics from year to year to see an overall picture of their health trends.

### No Patient Left Behind

We offer the most competitive pricing, while also offering the most advanced, comprehensive exam available. Our COO, as a retired Fire Chief, has made it a priority for us to offer this high-level of service, while keeping costs down to ensure taxpayers that their dollars are being spent wisely. From our lower pricing, you can see one simple, but important reality: On Duty Health is focused on First Responder Health, *not maximizing profits*. An important principle in our pricing structure is: **NO PATIENT LEFT BEHIND**. That means, for most of our packages, **every patient is receiving the Ultrasound Screening and Stress Testing every year**. While there is some research to support age stratification, where patients under 40 receive these tests over longer intervals, we regularly find cancer and life threatening heart conditions in this younger population. **Our system does not cut corners to save ourselves money**. We provide the most comprehensive option by including these important testing elements for each patient every year.

## Research Driven

We are not only interested in utilizing the newest available research for first responder health, we are driving it. Currently, we are involved in multiple research studies to further first responder health and wellness, particularly in regards to first responder Behavioral Health, Cancer, and Cardiac Health. We are currently partnered with organizations such as the National Fire Academy, Fire Service Psychology Association, University of Arizona's Center for Firefighter Health Collaborative Research, the National Disease Research Interchange's Center for Fire, Rescue, and EMS Health Research, and Loma Linda University. With these current research projects, we are hoping to further the fire industry as a whole, by continuing to develop the best standards possible for patient health.

## Nutrition and Fitness Coaching

We are your year-round partner for First Responder Health. That's why we offer more than just a "point in time," annual health assessment; we also offer many continuing services to improve your crews' health throughout the year. Each of our patient's gets free access to our On Duty Health app (*coming soon*), which includes Fitness Training Plans, Nutrition Plans, a quick access copy of our Health Standards to help you train, invitations to participate in Fitness Challenges, and more. We also offer personal Fitness and Nutrition programs through tele-health for your patients who need extra assistance to reach their goals, for an additional fee. And, through our partnership with Transcend Health, we offer a revolutionary system that utilizes a patient's smartwatch and AI algorithms to monitor their health on a 24/7/365 basis, giving valuable insights and recommendations for health improvements, along with constant access to tele-health medical providers for consults, followups, and coaching.

## Galleri 50+ Multicancer Test

We have partnered with Grail to offer the Galleri test, which is a revolutionary new blood test that can detect over 50 different types of active cancers. Incredibly, this test has a false positivity rate of 0.5% and a specificity of 99.5%. Our rate is drastically reduced from the standard price of \$949/pp (plus provider fees) due to an agreement with the IAFF. Click the picture to the right to learn more.

## Qualifications & Certifications

Our medical team is fully certified and licensed per state and national healthcare law requirements. Our Advanced Practice Providers (NPs & PAs) are currently licensed to practice in the State of California and are specifically trained in Occupational Health. They are supervised by our Medical Director, Wayne Dysinger, MD, MPH, who is a physician in Loma Linda with 38 years of experience. Dr. Dysinger is specially trained in Lifestyle Medicine.

We are also fully compliant with Corporate Practice of Medicine Laws (CPOM) in the State of California.

## Wellness and Fitness Program

### 1021.1 PURPOSE AND SCOPE

The purpose of this policy is to establish the guidelines for the Wellness and Fitness Program that will assist members in developing greater stamina and strength, decreasing the risk of injury, disability or death from disease or injury, improving performance, increasing energy and recovering more quickly from strenuous and exhaustive work.

#### 1021.1.1 POLICY

It is the policy of the Placer Hills-Newcastle Fire District that the wellness and fitness of its members is an organizational priority.

### 1021.2 PROGRAM COMPONENTS

#### 1021.2.1 MEDICAL EXAMINATIONS

All firefighting members should have an annual medical examination. Medical examinations specifics should be established by a qualified health care professional but may include:

- Medical history
- Blood draw/analysis
- Vital signs
- Cardiovascular
- Pulmonary
- Gastrointestinal
- Genitourinary, hernia exam
- Lymph nodes exam
- Neurological exam
- Musculoskeletal
- Urinalysis
- Vision test
- Hearing
- Chest X-ray (initial baseline with repeat every five years or as required)
- Cancer screening

#### 1021.2.2 FITNESS EVALUATIONS

All firefighting members should have an annual fitness evaluation consisting of an assessment questionnaire (developed by a qualified health care professional) and testing to evaluate immunization and disease screening, and physical fitness and conditioning.

# Placer Hills-Newcastle Fire District

## Joint Fire District Policy Manual

### *Wellness and Fitness Program*

---

#### 1021.2.3 IMMUNIZATION AND DISEASE SCREENING

All firefighting members should have an annual immunization and disease screening to ensure all recommended vaccinations against work-related exposures are current and that members are free from work-related disease. Specific vaccinations and diseases should be identified by a qualified medical professional but may include:

- Tuberculosis
- Hepatitis C
- Hepatitis B
- Tetanus/diphtheria vaccine (booster every 10 years)
- Measles, mumps, rubella (MMR)
- Polio
- Influenza
- H1N1
- HIV (optional)

#### 1021.2.4 PHYSICAL FITNESS AND CONDITIONING

A physical fitness and conditioning program should correspond to the physical movement patterns and aerobic capacity required in the performance of firefighter duties. The program should also provide, for example, fitness equipment in fire stations with the available space or a fitness club membership to a facility that is within the fire station's response area. The fitness and conditioning program should be developed in coordination with a trained and certified fitness and conditioning trainer and should comply with the Physical Fitness Policy.

#### 1021.2.5 PEER FITNESS TRAINERS

Volunteers should be solicited to serve as peer fitness trainers (PFTs). Selected PFTs shall receive specialized fitness and conditioning training and education sufficient to pass certification requirements. PFTs will assist in the promotion of the Wellness and Fitness Program and be capable of assisting firefighters on a one-to-one basis to increase levels of fitness.

## STAFF REPORT

<b>To:</b>	Board of Directors, Placer Hills Fire Protection District
<b>From:</b>	Ian Gow, Fire Chief
<b>By:</b>	Mark D'Ambrogi, Fire Marshal/John Williamson, DC
<b>Date:</b>	February 12, 2026
<b>Subject:</b>	Review and Accept the State Mandated Annual Fire Inspection Report for 2025

### **The Issue**

Shall the Board review the State Mandated Annual Fire Inspection Report and by resolution accept the 2025 Inspection Report?

### **Conclusion and Recommendation**

Staff recommends the Board review the State Mandated Annual Fire Inspection Report and by resolution accept the 2025 Inspection Report.

### **Background**

On September 27, 2018, California Senate Bill 1205 (SB1205) became effective, and added a new section to the California Health and Safety Code which affects every fire department or fire district in the State. Existing state law requires every fire department or district providing fire protection services to inspect every building used as a public or private school annually. This same annual inspection requirement is applicable to hotels, motels, lodging houses, and apartment houses. With the signing of SB 1205, the California Health Safety and Code was amended to require that all fire departments perform such annual inspections and report annually to its administering authority such compliance.

The purpose of annual fire inspections is to mitigate known hazards, reduce risk to the community and ensure reasonable compliance with applicable codes and regulations. During the period of January 2025 through December 2025, the required facilities were inspected as per SB 1205.

The following is a report of those inspections:

Placer Hills Fire District

Occupancy Type	Description	Number of	Inspected	Percentage
E (educational)	Schools, public and private, includes large Day Care facilities	12	12	100%
R1/R2	Hotels, Motels, lodging houses, and apartments	4	3	75%
Totals		16	15	94%

The Fire District completed 94% of all required annual inspections of all known mandated facilities for the year 2025.

The acceptance of this compliance report by resolution will meet the statutory requirements contained in California Health and Safety Code Section 13146.2, 13146.3 and 13146.4, as amended by SB1205.

**Alternatives Available to the Board**

1. Review and approve by resolution, the State Mandated Annual Fire Inspection Report;
2. Take no action, the District will not be in compliance with SB 1205.

**Fiscal Impact**

No fiscal impact or costs incurred to the budget is associated by this action. Inspections performed by personnel are part of the services provided to our communities.

### RESOLUTION No. 2026-03

#### A RESOLUTION OF THE BOARD OF DIRECTORS OF THE PLACER HILLS FIRE PROTECTION DISTRICT ACCEPTING THE STATE MANDATED ANNUAL FIRE INSPECTION REPORT IN COMPLIANCE WITH SB 1205 FOR JANUARY 2025 THROUGH DECEMBER 2025

**WHEREAS**, California Health & Safety Code Section 13146.4 was added in 2018, and became effective on September 27, 2018; and

**WHEREAS**, California Health & Safety Code Sections 13146.2 and 13146.3 requires all fire departments, that provide fire protection services to perform annual inspections in every building used as a public or private school, hotel, motel, lodging house, apartment house, and certain residential care facilities for compliance with building standards, as provided; and

**WHEREAS**, California Health & Safety Code Section 13146.4 requires all fire departments that provide fire protection services to report annually to its administering authority on its compliance with Sections 13146.2 and 13146.3; and

**WHEREAS**, the Placer Hills Fire District inspected 12 out of the 12 Educational Group E school facilities, which is a 100% compliance rate for this reporting period; and

**WHEREAS**, the Placer Hills Fire District inspected 3 out of the 4 Residential Group R facilities, which is a 75% compliance rate for this reporting period.

**NOW, THEREFORE**, the Board of Directors of the Placer Hills Fire District does resolve as follows:

1. That the above recitations are true and correct.
2. That the Board of Directors accepts the report on the status of all state mandated annual fire inspections in the Placer Hills Fire District in compliance with SB 1205 and California Health and Safety Code Section 13146.4 .

# STAFF REPORT

**TO:** Placer Hills Board of Directors

**FROM:** Matthew Slusher, Acting Fire Chief

**DATE:** February 6, 2026

**SUBJECT:** Replacement Command Vehicle Purchase

---

## RECOMMENDATION

It is recommended that the Placer Hills Fire Protection District Board of Directors authorize the Fire Chief or his designee to purchase and upfit a 2026 Chevrolet Tahoe command vehicle to replace a 2018 Chevrolet Silverado command vehicle that was damaged beyond repair, with a total cost not to exceed \$115,000, and amend the Fiscal Year 2025–2026 budget to reflect the anticipated insurance reimbursement and related expenditure.

## BACKGROUND / ANALYSIS

In December 2025, an incident occurred that resulted in the District's 2018 Chevrolet Silverado Command Vehicle being damaged beyond repair. The District is currently working with its insurance carrier to recover the fair market value of the vehicle. At the time of this report, the insurance claim remains open and no compensation has been received.

The District anticipates completing the subrogation and reimbursement process within the next 60 to 90 days. Staff's objective is to complete the reimbursement process prior to the end of the current fiscal year; however, the final reimbursement amount will not be known until the claim is fully resolved.

The loss of this vehicle has created a gap in the District's command and response capabilities, necessitating replacement to maintain operational readiness.

## EXECUTIVE SUMMARY

The District maintains a vehicle replacement schedule that is reviewed and updated annually to address operational needs and lifecycle planning. The proposed purchase represents a replacement of an existing command vehicle and does not constitute an expansion of the District's fleet.

Staff anticipates that insurance reimbursement will offset a substantial portion of the replacement cost. Upon Board approval, staff will proceed with the purchase and upfitting of the command vehicle in compliance with the District's purchasing policy (Policy 212), including applicable competitive bidding or authorized procurement methods.

The fiscal impact identified below reflects current estimates and will be refined as additional information becomes available.

## **FISCAL IMPACT**

Total Not-to-Exceed Cost: \$115,000

Price Includes:

2026 Chevrolet Tahoe Command Vehicle purchase

Upfitting and build-out

Technology and communications equipment (radios, mobile data, internet connectivity)

The Fiscal Year 2025–2026 budget will be amended to include both the anticipated insurance reimbursement revenue and the corresponding expenditure for the vehicle replacement.

## **OPTIONS**

Approve the Recommendation -

Authorize the Fire Chief or his designee to execute the purchase and upfitting of a 2026 Chevrolet Tahoe command vehicle, with a total cost not to exceed \$115,000, and amend the Fiscal Year 2025–2026 budget to reflect the anticipated insurance reimbursement and expenditure.

Request Additional Information -

Take no action at this time and direct staff to conduct additional research or present alternative options.

Deny or Table -

Deny the request or table the item for consideration at a future meeting.
